After the fall of the evil empire of Almodon and the defeat of Matron Mirabelle, the Elden King and his lieutenants were left to wander the Lands Between alone. They were forced to wander the Lands Between alone when Mirabelle was betrayed by her former husband, the King of Dawn. But with a new hero born to the Elven race and the remnants of the Centaurs' younger generation, things are looking up for the Elden folk. Greetings! My name is Otoniel, lead designer at a studio called Eko that works on Tarnished. We are currently working on a Fantasy Action RPG titled Elden Ring Game (Official site: eldenringgame.com), a tale of an Elven boy who possesses a powerful weapon called the Phylactery, and later becomes the leader of his people. He is on the road with his younger siblings Emilia and Lezard as he seeks to retrace his father's footsteps as the leader of the Elden folk. The screenshots below showcase our main goal of the game: action, narration, and diplomacy. These elements are all intertwined with each other seamlessly, and influence the setting and gameplay of the game. From left to right, image #1 is one of the main dungeons you'll encounter in the game, image #2 shows a map of the entire Lands Between, and image #3 is of a dialogue system used to get

information from people. We're aiming for a global release, but we'll be targeting Early Access for the Japanese servers. If you're interested in playing in the beginning stages, please check out our official website and follow us on Twitter. We hope to have plenty of news and information for our early adopters in the near future. As I mentioned, the main goal of this game is to put the experience of narration and action first, so we tried to ensure that the action is great, the experience is great, and the story is great. We have not set aside any technological prowess for technology, which means that the graphics and animations are all hand-drawn. We will faithfully represent the lore of the Elden Ring, with attractive yet modest designs. I also have one more thing that I'd like to say. I have read the feedback from people who have played other games of this

Elden Ring Features Key:

ULTIMATE FANTASY ACTION RPG. You can choose any spells and weapons and customize the appearance of your character, forming your own combo.

AN ENTHRALLING STORY FULL OF SUBTEXT AND LYRICS. In the story, the various thoughts of the characters interact in unexpected ways. The detailed story was written by one of our game developers. To truly experience the story, think twice before leveling-up your character.

STRUCTURED MULTIPLAYER. In conjunction with other players, you can collaborate to fight against the Horde, meeting challenges set by the competition.

EXPLORATION IS FUN. Even if you have not played fantasy action RPGs before, you can enjoy the story with ease from the get-go.

Action RPG Features:

- PLAY STYLE LEARNING SYSTEM. A large number of in-game events occur throughout the story, and it is good to master the skills of communication,

battle, etc. by repeatedly playing.

- NEVER-ENDING SURROUNDING WORLD. The world will never end even if you clear the story. An adventure in the Lands Between never ends. The online mode and battle system will be supported for long.

Pre-Registration Summary:

- 4 Difficulty Levels to Play
- 20+ Desired Romance Characters
- Visually Impressive Graphics
- Multiple Dialogues
- Various Quest Types
- Over 30+ Quest Items
